

frequently asked questions

Q. Can I use the m.a.c. if I'm not that familiar with a computer?

A. Yes! The m.a.c. really is as easy to use as opening a hymnal. Within a few minutes of provided training, anyone can use the m.a.c.

Q. Can we play other music on the m.a.c.?

A. Yes! It's even easier to use on the m.a.c. than CD players. m.a.c.'s CD drive will accommodate music for special choir and solo accompaniments. The recordings can easily be stored on the spacious hard drive where they can be incorporated into any playlist or folder of songs for use anytime you use the m.a.c.

Q. We do not see some of our favorite hymns. Are there other hymns available?

A. Yes! m.a.c. comes with a large selection of the most popular hymns from your favorite hymnal. Extra selections are available at an additional cost.

Q. Is there a portable unit available? We want to use the m.a.c. for our Prison Ministry, and our Nursing Home Ministry.

A. Yes! The m.a.c. is available in a portable unit. Please call for details.

Q. Can I change the key or tempo of the hymns on the m.a.c.?

A. Yes! You can change the key - The standard m.a.c. comes with the software needed to change the key of any hymn to accommodate the desired vocal range.

Yes! The tempo can be changed, but that software is not included with the m.a.c.

Q. Can we run the sound from the m.a.c. through our existing sound system?

A. Yes! - however, the quality of the integrated Bose® speakers is superior to most small church sound systems.

Q. Does the m.a.c. come with a warranty?

A. Yes! All components included in the m.a.c. system come with a standard manufacturer's warranty. Additional warranties may be purchased directly from the manufacturer.

Q. How many songs will the m.a.c. hold?

A. The hard drive on the m.a.c. will hold over 40,000 MP3 formatted accompaniments.

Q. How long will it take to get the m.a.c. delivered to our church?

A. Delivery is usually within two (2) weeks from the day Church Music Company receives the initial order with the required down payment.
